Dear UCI Students,

Please join us for the Cross-Cultural Center Groundbreaking on Thursday, January 19, on Ring Mall in front of the Cross-Cultural Center at 12:00 p.m.

Since 1974, the Cross-Cultural Center has been a gathering place for UCI students and will continue to open its doors during construction. Come celebrate the Center's legacy and get a glimpse of how the renovated Center will look in 2007.

There will be plenty of food, fun, and freebies for everyone to enjoy.

We look forward to seeing you at the festivities on Thursday.

Sincerely,

Pam Lincoln
