Subject: RECENTERING: Temporary Closures

The UCI Student Center and Cross-Cultural Center renovation and expansion continues to make progress, resulting in temporary closures.

#### SIDEWALK CLOSURES

From Monday, June 19, 2006, to Monday, January 1, 2007, the sidewalk along the south side of Pereira Drive (Student Center side), from the intersection of West Peltason and Pereira Drive to the Student Center loading dock, will be closed. Pedestrians will need to use the sidewalk along the north side of Pereira Drive (Parking Structure, PS4, side).

The Student Center Parking Structure, PS4, will remain open.

#### CRYSTAL COVE CLOSURE

Crystal Cove Auditorium and lobby area will be closed from Monday, June 19, 2006 and will reopen on Thursday, January 4, 2007. The Information Desk will be temporarily relocated to the Bookstore during this time. Alternative meeting spaces and venues may still be booked by contacting Scheduling and Conference Services at (949) 824-5252.

#### BOOKSTORE AND RING ROAD ACCESS

From Monday, June 19, 2006 to Friday, September 15, 2006, the stretch of Ring Road in front of the Student Center to the bridge linking to Humanities will be restricted to 6 feet wide. As a result, the Bookstore entrance facing Ring Road will be closed.

Access to the Bookstore will be along the UCI Yellow Brick Road, through a set of doors facing the Administration Building. This entrance is handicapped accessible. The grand staircase entrance at the corner of Pereira Drive and the UCI Yellow Brick Road will remain open throughout construction.

#### DINING SERVICE

On Monday, June 19, 2006 Cornerstone Cafe will close its doors and we will start work on the first of many new dining options to be offered in the Student Center. On September 18, 2006, Starbucks and a convince store will open in this location. When the Student Center holds its grand re-opening in fall 2007, it will have two food courts with eight dining options, two convenience stores, a coffee house and a pub.
