Subject: Free Legal Advice for UCI Students

ASUCI has created a free weekly Legal Clinic where students will be able to ask personal questions to lawyers from a variety of fields. Clinic hours: Wednesdays, 2 to 4 p.m. in the ASUCI Office starting Week 3. Students can make an appointment to meet with an attorney by following the "Legal Clinic" link on the ASUCI webpage: <http://www.asuci.uci.edu>

If you cannot make it during the clinic hours, attorneys will be available for a free phone consultation. A list of lawyers is available at ASUCI. There are currently 21 local attorneys from a variety of specialties available. This service is the first of its kind to be established on a University of California campus and will provide qualified local legal professionals who are eager to help UCI students. From practical advice to technical legal questions, these attorneys will attempt to guide you. Please take advantage of this service.

If you have questions, contact the program's director Adam Kent at akent@uci.edu.
