Subject: Parking Update: Partial Pereira Drive closure

Dear UCI Students,

Parking and Transportation Services is committed to safe travel while on the campus. Beginning May 21st through June 5, Pereira Drive will be closed intermittently from the Student Center Parking Structure (SCPS) to the Administrative Loop.

This temporary closure is necessary due to the high volume of student pedestrians overflowing into the roadway during class changes.

To expedite your commute, those wishing to access Lots 1, 2, 3 and Social Science Parking Structure should travel via East Peltason Drive. For those using SCPS, please access via West Peltason Drive. For a map of suggested routes go to:

<http://www.parking.uci.edu/parking/publicinfo/pereiraclosure07.pdf>

Parking and Transportation Services thanks you for your understanding.

Stacey Murren

Director

Parking and Transportation Services
