Subject: Stand Together for Tolerance

To All UCI Students:

To affirm the campus' tolerance of diverse spiritual and religious practices and to show respect for the right of free expression, the UC Irvine Academic Senate is sponsoring a demonstration, "Stand Together for Tolerance." All faculty, students, and staff are invited to form a human chain around Aldrich Park to affirm to the campus and the community that people of different religions and spiritual practices are safe on campus and welcome to practice their religions.

This visible demonstration of what we really do stand for at UC Irvine will be a powerful message to the world – your presence is requested.

Stand Together for Tolerance
