Subject: UCI Student Center Update

Dear UCI Community,

Each day brings progress at the new UCI Student Center as we ready for students to return to campus for fall 2007. Here is the latest news:

#### Health Education Moving

The Health Education Center is relocating to its new location in G319 in the Student Center. Health Education will be closed Thursday, August 16 and reopen in the new location on Friday, August 24.

Anonymous HIV testing services are closed and will resume Tuesday, August 28. Testing services are offered every Tuesday and Wednesday between 2 and 4 p.m. Appointments are recommended and can be made by calling 824-9355 or UCI-WELL.

#### Volunteers in Action

The UCI Volunteer Center has changed its name to the Center for Service in Action to reflect the broad spectrum of opportunities for students to engage in hands-on civic responsibility both on- and off-campus. Currently located at 100 Gateway Commons, the Center for Service in Action will move to their new location in the UCI Student Center, 3rd floor, Rm. G301 in September.

#### Grand Opening Fun

Save October 24, 25 and 26 for grand opening events at the new UCI Student Center. There will be Peter's Parade, Antstock live music, The Fun of Money Tour, Shocktoberfest, ASUCI's annual Halloween extravaganza, and much more. The celebration will begin on Wednesday, October 24 with the opening ceremony at noon in the Student Center Terrace.

There's no place like the UCI Student Center!

Sincerely,

Dan Dooros
