To: All Freshmen

From: UCI Student Affairs

Subject: Anteater Mentorship Program - Welcome UCI Class of 2011

Housing students, want to meet people outside of your dorm?

Commuter students, want to make some new friends?

Need guidance regarding your major, your classes, and your future career plans?

Interested in learning about UCI clubs, fraternities, or sororities?

Want to have a fun, memorable first year?

Get involved early.

**ENHANCE YOUR COLLEGE EXPERIENCE**

**JOIN THE ANTEATER MENTORSHIP PROGRAM (AMP)!**

**WHO:** You (the mentee, a 1st year) and the Mentor. Mentors are 3rd, 4th, or 5th year campus leaders. Some of the UCI activities that our mentors are involved in include SPOP, Fraternities/Sororities, Circle K, and on-campus housing.

**WHAT:** AMP is a year-long big brother/big sister program that promotes school spirit, leadership, and friendship. It is sponsored by ASUCI (Associated Students of UCI) and Caesar Sereseres, Associate Dean of the School of Social Sciences. Students of all majors are encouraged to join.

You will participate in fun ASUCI-sponsored events and off-campus events with your mentor and fellow mentees. You will also get a chance to meet UCI alumni, professors, and various other people who will be able to help you with your future professional aspirations. You will learn about UCI from the perspective of a campus leader, have fun, and meet new people at the same time.

**TO APPLY:**

Fill out the AMP survey application at <https://eee.uci.edu/survey/amp08> (please keep in mind that you will be paired with your mentor according to your interests and goals, so please try to be as accurate as possible). Fill out the survey application by Saturday, September 22 by 5 p.m. Note: AMP is only accepting 230 mentees. Please try to fill out your survey application as soon as possible.
