Subject: Student Preferred Permits Available

Your Transportation Services Department would like to extend to you the following opportunity:

Due to popular demand and availability, Transportation Services is excited to be able to offer additional student Preferred “P” permits to all campus students, with the exception of on-campus residents (To see what an on-campus resident is, click here: <http://www.parking.uci.edu/permits/studentpermits.cfm#sr>).

A “P” permit will allow you to park in the “AR” reserved stalls in the lot you chose from the following list based on availability:

Lot 1

Student Center Parking Structure (SCPS)

Social Science Parking Structure (SSPS)

Student Preferred permits are offered on a first-come-first-serve basis. To purchase a “P” permit, please visit the Transportation Services Office. You may exchange any permit you currently have.

Student Preferred permits are available for the academic year only (through June 30, 2008).
